

THAT MAN IS YOU! is an interactive men's program focused on the development of male leadership in the modern world. It combines the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of authentic men capable of transforming themselves, their families and greater society.

The Vision of Man Fully Alive enables men to experience authentic freedom as sons of God. Through living the three-fold mission of abiding presence, joyful service and loving sacrifice, their hearts and homes will experience the joy that God desires. To sustain them on their spiritual journey, the men will be led directly to the three spiritual foods that Christ himself proclaims: The Eucharist, The Word of God, and The Will of God.
